Dear Scholarship Applicant,

Thank you for your interest in the Southeast Women's Herbal Conference. Thanks to contributions from participants and private donors, we have limited scholarship opportunities to help bring women to the conference who might not otherwise be able to attend.

Scholarships are prioritized those with financial need who fit these criteria:

- Women of color
- Native American women
- Women with physical limitations who are unable to do work exchange
- Young women under 17
- Elders over 65

A scholarship for the conference covers registration fees and a bed in a cabin. Please be prepared to either fund your own meal ticket (\$58) or to take care of your own food for the weekend.

To apply, please fill out the Scholarship Application form completely. We have a limited number of scholarships to distribute. We will review all applications in our selection process. All applicants will be notified. If we are able to provide you with a scholarship, you will be asked to fill out a registration form that will be mailed to you. Returning the completed registration form by the day on which it is due will allow us to grant you the scholarship money.
